

Computer-Based Testing Demo

Partnering with ABC, Applied Measurement Professionals (AMP) is our exclusive national computerized exam administrator. Through this partnership, AMP handles scheduling and administration of computerized exams at AMP Assessment Centers. Candidates immediately receive their score reports at the conclusion of the exam and clients are able to access examinee results through a password-protected web-portal.

The following demo from Applied Measurement Professionals shows what candidates will see as they enter the testing area.

**For computer-based testing questions and information, please contact ABC:

TERMS AND CONDITIONS FOR TESTING

Please read the information below carefully before proceeding with your test. By choosing the option at the end of this message to "Proceed with Test," you will be agreeing to be bound by these terms and conditions, in addition to all applicable laws that govern the use and reproduction of the information in this test. If you do not want to agree to these terms and conditions, choose the option labeled "Do not agree," in which case you will not be able to take the test and will be excused from the testing facility. Your fee will not be refunded.

1. By proceeding, you will gain access to test questions that have been devised to evaluate the readiness of candidates for professional certification or licensure. You understand and acknowledge that the test questions, their arrangement, and the manner in which they are displayed, presented, and laid out is confidential and proprietary information on which a substantial amount of money and effort have been expended to develop.
2. You agree that, under no circumstances, may you remove test questions or any part of the test from the testing facility. Both during and after the test, you may not reproduce test questions or any aspect of the test by any means, including without limitation, paper or electronics. Both during and after the test, you may not disclose test questions or any aspect of the test to others by use of paper copies, electronic media, oral communication, or any other means.
3. You agree that, if you violate these terms and conditions, Applied Measurement Professionals, Inc. (AMP) will have the right to take all appropriate action against you. This may include, but will not be limited to, barring you from taking future tests prepared or administered by AMP, canceling your scores and refusing to report them, and forfeiting your registration fee. In addition, you agree that AMP or its clients may seek injunctive relief, as well as any other relief that the law may permit, against you for breach of your agreement to these terms and conditions, as well as for any other reasons the law may recognize. You also agree that AMP will not be required to post a bond or provide other security in order to pursue any remedies it may have against you.
